RE: Rate Changes Effective October 1, 2005

The Centers for Medicare and Medicaid Services (CMS) recently notified the department of the annual update of Medicaid hospice rates for federal fiscal year 2006. This notice serves to inform hospice providers of the revised rates that are effective for claims with dates of service from October 1, 2005 through September 30, 2006.

Payment for routine home care (revenue code 651) and continuous home care (revenue code 652) is based upon the geographic location where the service is furnished. Per the August 4, 2005 Federal Register (42 CFR Part 418, Medicare Program; Hospice Wage Index for Fiscal Year 2006; Final Rule), the Office of Management and Budget (OMB) has revised the definitions for the geographical statistical areas used in determining the hospice wage index values beginning October 1, 2005. The revised OMB geographic location definitions, known as Core-Based Statistical Areas (CBSAs), are identified in the attached table with the corresponding CBSA codes and wage indices. Pursuant to federal regulations, certain counties will receive a blended wage index for federal fiscal year 2006 only, and are identified with a special hospice wage index code.

Hospice providers must still use Value Code 61 with the appropriate CBSA or special hospice wage index code on their claims to identify the location where the routine home care or continuous home care services were provided.

The last page of this notice's attachment shows the revised wage component and unweighted amount to be used in the calculation of rates for routine home care and continuous home care for dates of service October 1, 2005 through September 30, 2006. Rates for general inpatient care (revenue code 656) and inpatient respite care (revenue code 655) are based upon the CBSA where the hospice provider is located. Rates for general inpatient and inpatient respite care will be updated and shown on the individual hospice provider's Provider Information Sheet. The Provider Information Sheets will be generated by the department and mailed to each hospice, once the updates have been completed.

As you can see, the name of the Department of Public Aid (DPA) has changed to Healthcare and Family Services (HFS). You will see the new name on forms, letters and the Internet. Until existing form supplies are exhausted, we will continue to use materials bearing the former DPA name and logo. Either version of documents should be considered official regardless of the name they bear.

Only our name has changed. HFS's programs, staff, office locations, mailing addresses and phone numbers remain the same as DPA's. We believe our new name more clearly reflects our mission of service to the State of Illinois including providing access to health care for over two million Illinoisans. We deeply appreciate your participation in our programs and we hope this change poses no inconvenience for you.

Providers wishing to receive e-mail notification, when new provider information has been posted by the department, may register at the following HFS Web site:
